

# FERMAX

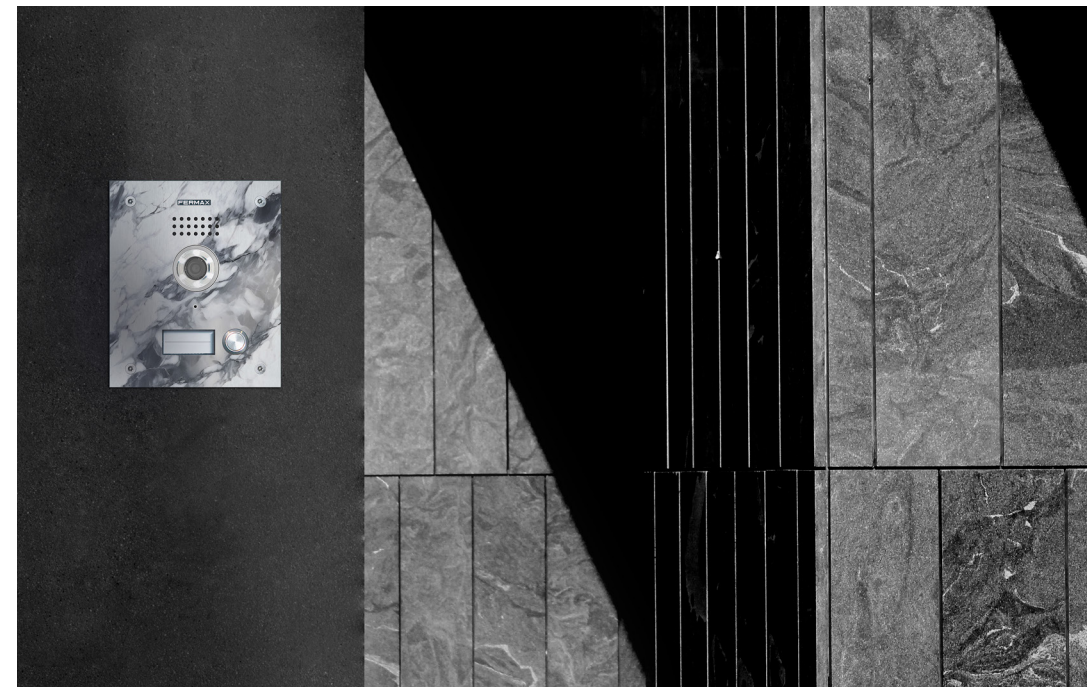

## You dream, we create

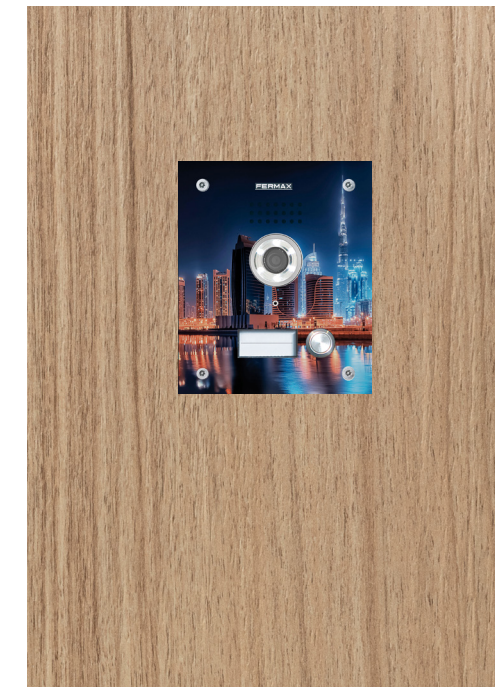

Perfect  
integration in  
any space.

Water printing  
for limitless  
customisation.

A world of  
colours and  
designs with  
no limits.

Timeless  
details:  
laser-engraved  
finish.

Dimensions  
that adapt  
to each  
project.

Manufactured  
in our  
headquarters  
in Valencia.

**FERMAX**

## The strength of stainless steel meets Fermax technology and design.

### Vandal-proof

It is made in **316L stainless steel**, 2.5mm-thick.

### IP65 IK09 protection

Resistant to dust and water.  
High-impact resistance.  
Perfect for adverse climate conditions.

### High quality and robustness

High-durability materials and manufacturing processes.

### Any type of finish

A world of colours, printed finish, mirror-polished finish, and custom laser engraving.
